

Nationwide Industries® Gate Kits Streamline Latch & Hinge Selection and Installation

New kits allow contractors & DIYers to simply grab the right kit for the job and go to the job site

TAMPA (June 3, 2024) – The new Gate Kits from Nationwide Industries® will streamline the fence gate installation process by making it easy to select the right hinges, latch and fasteners for every job. The kits combine hinges and latches in one kit, eliminating the complication of choosing which products can go together.

"The Gate Kits were developed to expedite the specification and installation process," said David Lord, Product Manager at Nationwide Industries®. "Instead of choosing from over 3500 SKUs, contractors and DIYers just need to grab one of eight kits and get started."

The Gate Kits are designed to work with Nationwide Industries'® most popular fence applications, including vinyl, metal ornamental, wood, and chain link fences, catering to the varying needs of contractors. Available options include:

Vinyl

- Vinyl 4" Gate Kit
- Vinyl 5" Gate Kit

Ornamental

- Ornamental 2" Gate Kit
- Ornamental 2.5" Gate Kit

Pool

- Ornamental Pool Kit
- Chain Link Pool Kit

Wood

- Western Walk Gate Kit
- Contemporary Walk Gate Kit

1321 Greenway Drive • Irving, Texas 75038 • 800-676-7777 • www.PrimeSourceBP.com

Each kit includes a pair of hinges, a latch, and all the necessary fasteners needed to complete your project. By packaging these components together, Nationwide Industries® helps ensure installation crews consistently have the correct hardware at their disposal, eliminating the need for repeated trips or to carry extra hinges, latches or fasteners.

Furthermore, the Gate Kits offer cost savings compared to purchasing individual components. They include the newest, highest-rated products from Nationwide Industries®. The components are patented and backed by million-cycle warranties, so contractors can be confident in the quality and longevity of the products they're providing to their customers.
